

2022

Oceania Open
& Oceania Cup

Version: 31st July 2022

Dear Judo Family,

On behalf of all the Oceania Judo Union, I am proud to welcome you all back to Perth. After the terrible Pandemic, Oceanian nations are finally able to slowly reopen their borders and to welcome international competitions on their continent again.

After the great success of the last event in 2019, the IJF and its President Mr. Marius VIZER allowed us to have for this Olympiad once again the only Open awarding 700 points.

The 2022 OJU Open in Perth marks the restart of international Judo competitions in Australia. The 700 points promised to the winners make the Perth Open one of the most attractive competitions that will for sure attract some of the best judokas on the planet. With the focus of the 2024 Paris Olympic Games qualification, the battle between some of the best athletes of the IJF Tour and the young generation of judokas promises to be epic and Perth the place to be to watch it.

The Oceania Judo Union, The Australian Judo Federation wish to see you all in Perth in October for the 2nd edition of the OJU Open Perth.

We thank the Australian Judo Federation for their diligence and collaboration.

Yours in Judo

Rehia Rai DAVIO

President

Oceania Judo Union

IMPORTANT INFORMATION REGARDING THE COVID-19 PANDEMIC

ANYONE NOT FOLLOWING THE LOCAL GOVERNMENT AND IJF COVID-19 PROTOCOLS WILL BE REMOVED FROM THE EVENT AND SUBJECT TO DISCIPLINARY ACTION!

With any COVID-related questions pre-event, please contact: covid@ijf.org

The fundamental principle throughout all IJF events during the COVID-19 era is to Protect and Be Protected by respecting the recommendations of "**IJF COVID-19 Protocol**". All participants have the mutual responsibility to protect each other.

Recently the IJF made amendments to the IJF COVID-19 Protocol due to the participant vaccination/recovery levels reaching 85%, allowing us to have reduced measures at events. We will continue to monitor the global and host country situation and further amendments may be made.

It is the responsibility of each participant to follow the IJF COVID-19 Protocol and amendments that are in force at the time of the event which can be found here: covid.ijf.org

These event outlines will be updated as follows:

- 1 September 2022 including proposed COVID protocol for the event in line with host country regulations
- 28 September 2022 including FINAL COVID protocol for the event in line with host country regulations

The COVID-19 vaccines provide protection to the vaccinated only against seriously falling ill, but not against getting infected or transmitting the virus to somebody else, even if the chances of the latter is very low.

Therefore, until vaccination reaches a high level among the judo family and there are other effective preventive methods available, or until it is globally accepted to conduct activities without safety measures, all the participants of any IJF event must follow the same protocol to protect and be protected, in the spirit of unity and solidarity which is in our community's moral code.

Further softening of the IJF COVID-19 Protocol is at 90% or higher vaccination level.

We strongly encourage all judo family members to get vaccinated or get their booster dose to contribute to the overall protection level of the IJF events.

To maintain the required safety level at the IJF events, the following variants of vaccination are recognised as complete vaccination and the bearers as “fully vaccinated” within the validity period.

In case the validity expires during an event, the status is upheld until the last day of the event.

The IJF accepts all vaccination types, not only EMA or WHO approved products. Vaccination validity is subject to change according to WHO recommendations.

Minors (under 18) are considered fully vaccinated after completing the first series of vaccination with no end of validity until further decision.

Please note that the host country vaccination criteria may differ from the IJF’s, always check the local rules before travelling.

General Information

Fundamental Principles

All national federations, officials, coaches and athletes participating in the event described in these outlines must respect and accept the authority of the IJF Officials, the IJF Statutes, the IJF Sports and Organisation Rules (SOR), the IJF Refereeing Rules and the IJF Anti-Doping Rules. Individuals deemed to have acted against the IJF, its principles or purposes should be subject to suspension or expulsion from the event and/or cancellation of their accreditation cards.

Insurance

Each National Federation is responsible for its competitors (the control of non-pregnancy as well as the control of gender are placed under the responsibility of the National Federations) and must assume all responsibility for accident and health insurance as well as the civil liabilities for their competitors and officials, during the event described in these outlines.

Consent for use of Data/Photography/Videos/Filming

Delegates inscribed by their National Federations for OJU events consent to the OJU and its media partners to use content of them, including data, live results, photographs and/or video recordings (hereafter referred to as Media).

This media may be obtained from National Federations and OJU. It will also be acquired by the OJU and its media partners from in and around all OJU event venues.

Media could be used in print and digital media formats including print publications, websites, eMarketing, posters banners, advertising, film, broadcast, social media, education purposes and other purposes.

The National Federation must ensure that they have the permission of each delegate or in the case of a minor the permission of the parent/guardian. If a delegate does not give consent, then the National Federation must inform the Oceania Judo Union by writing to communication@oceaniajudo.com

Competition Rules

The competition will be conducted in accordance with the IJF SOR (www.ijf.org/ijf/documents/21) and the IJF Anti-Doping Rules (www.ijf.org/ijf/documents/17).

System of competition for Oceania Cup:

Competition systems according to number of participants:

6 and more entries: Double repechage

2 entries: better of 2 fights, if 1-1 the third match will decide

In order for an athlete to obtain points for the IJF Ranking List, her/his weight category should have participants from at least 2 different countries. If this is not the case, the competition can still be held, according to the organiser's decision.

If, by the nominal deadline, there is only one country inscribed in any weight category, the organiser is obliged to inform immediately the National Federation concerned.

Duration of contest: Four (4) minutes (real time).

Weight Categories:

Senior Women: -48kg, -52kg, -57kg, -63kg, -70kg, -78kg, +78kg

Senior Men: -60kg, -66kg, -73kg, -81kg, -90 kg, -100kg, +100kg

Cadet Men and Women are allowed to enter into Junior Men and Women and Senior Men and Women divisions in addition to their own division and Junior Men and Women are allowed to enter into Senior Men and Women divisions in addition to their own division.

Participating athletes must be born in 2007 (15 years in the calendar year) or before. When travelling with minors the team official / coach must have all the necessary documents in place to say that they are acting on behalf of the parents/guardians “in loco parentis”.

For the Senior Oceania Open, each National Federation can inscribe a maximum of two (2) athletes per weight category. The organising national federation can inscribe a maximum of four (4) athletes per weight category. For the Cadet Oceania Cup and Junior Oceania Cup, there is no restriction on the number of athletes that may be entered in each weight category.

Non-competing athletes or training partners can be inscribed as judoka.

After the deadline, changes can be made one to one, like for like, due to injury or illness. For example, an injured athlete can be replaced by another athlete regardless of gender or weight category. An ill team official can be replaced by another team official, etc..

Inscription of all participants must be done using the IJF online registration system at <https://www.judobase.org>. The final deadline for inscription is 20 days before the draw.

All athletes and officials must be entered on time. National federations missing the registration deadline will not be allowed to start and no exceptions will be made! For any support please contact registration@ijf.org before the end of the deadline.

Accreditation

The purpose of accreditation is to identify people and their roles at events and allow them necessary access to perform their roles.

At least one team official must attend in time to confirm the entries of all athletes and officials with his/her signature on the delegation confirmation list. Passports or photocopy of passports of all athletes must be available on request. A delayed appearance or no-show at control of entries may result in the exclusion of all participants from the draw and the event. In case of unforeseen delay of arrival, the National Federation must contact immediately the organiser and the OJU registration team (treasurer@oceaniajudo.com).

For each official team member from a national delegation (athletes, coach, team official, doctor, etc.) an accreditation card is issued by the OJU during the official registration. A delegate should never wear another delegates accreditation card. The accreditation

card remains the property of the OJU and can be withdrawn, with immediate effect, at the OJU's sole discretion.

The accreditation card is valid for the duration of the competition and is the personal identity document of the delegate for all security and access controls. This card contains; last (family) name, first (given) name, country, IJF ID number, a picture, and for athletes their weight category and WRL position.

Quota for officials for accreditation (includes team officials, coaches, doctors, and physiotherapists):

1 – 4 competitors:	3 officials
5 – 9 competitors:	5 officials
10 or more competitors:	7 officials

The accreditations for National Federation president, referee, and judoka are not included in the above calculation.

The fee for additional team official(s) (who must be inscribed in judobase) is US\$100 per accreditation, to be paid to the LOC.

Replacement of lost or forgotten accreditation will be charged at US\$50 to be paid to the LOC.

Draw

Up to a maximum of the top eight (8) athletes among the entered athletes in each weight category will be seeded based on their IJF World Ranking List position.

Official Judogi

Athletes must compete wearing an IJF approved judogi (white and blue). Official IJF suppliers may be found by visiting <https://www.ijf.org/supplier-list>

For further information on the judogi rules please refer to the IJF SOR (www.ijf.org/ijf/documents/21).

Official IJF Backnumber

Each competitor is obliged to have sewn on the back of his judogi a back-number bearing their last (family) name and National Olympic Committee abbreviation. The last (family) name (and any part of their given (first) name) on the back number must have the same letters as that registered in JUDOBASE as this database provides the accreditation cards, athlete name on TV graphics and scoreboard etc. The top of the back-number must be fixed horizontally and centrally three (3) cm from the bottom of the collar.

The back-number can only be ordered from www.officialbacknumber.com or www.mybacknumber.com

Judogi and Backnumber Pre-Control

The OJU will arrange a judogi and back-number pre-control starting two days before the first competition day, until the day before the last competition day. The judogi pre-control will be operated upon request of the athletes who wish so.

For this purpose, the competitors should wear their judogi with the belt tightened.

For the back-number pre-control, athletes must bring both judogi (white and blue), for a control regarding any worn-out areas particularly on the collar and lapel, the colour, the IJF official label (obligatory), judogi brand (obligatory), national emblem, advertising, back-number stitching, and any visible stains. Only if the judogi are compliant with the IJF rules will sponsor labels be given.

Athletes must show up for the back-number pre-control. If they fail to do so, without a valid reason, the athlete will not be allowed to have a coach in the chair.

The backnumber and publicity should comply with the current IJF judogi regulations. The official sponsor label of the event will be given provided that:

- The judogi are clean and dry,
- The backnumber, publicity and emblem are properly sewn and do not show any wear or tear,
- All previous advertising has been removed.

The LOC has the right to charge for any sewing service that is deemed larger than a small repair.

The judogi control will be done before each contest.

Weigh-In

The weigh-in will be carried out in accordance with the IJF SOR. The official weigh-in for athletes will be scheduled the day before the competition (see programme for times).

Coaching

Coaches nominated by their national federations should respect the IJF Code of Ethics and IJF SOR. Any coaches not adhering to these rules could be subject to disciplinary action.

Awards Ceremony

Each athlete who has won a medal must present at the ceremony to receive their medal personally. Any athlete who is absent from the awards ceremony without a good reason may forfeit the medal.

Athletes must attend the medal ceremony barefoot, without any hat, cap or any similar head covering and wearing their IJF approved white judogi that conforms to the IJF judogi rules with special attention being paid to the publicity rule. If it is not clean, then they must wear a reserve judogi.

It is strictly prohibited for athletes on the podium to have national flags or similar items other than those on their judogi. Any demonstration with religious, political, personal or commercial connotation is prohibited.
